AMEND Senate Bill No. 932*

House Bill No. 1452

by adding the following new section before the effective date section and by renumbering the effective date section accordingly:

SECTION _____. Tennessee Code Annotated, Section 68-121-109 is amended by adding the following new subsection:

(c)

(1) As provided in the applicable codes of the American Society of Mechanical Engineers (ASME) as adopted by the Tennessee Elevator Safety Board, each elevator shall have a means of two-way communication. Such code requirement of two-way communication may be satisfied with a dedicated line, a line consolidation technology that enables the simultaneous operation of more than one (1) communication device or an intercom system where a central answering location is staffed twenty-four (24) hours a day.

(2) If the state chooses to upgrade its two-way communication system in elevators in state facilities, funds in the facilities revolving fund may be used for such upgrade.
